

What's a Kodiak X? (eXtreme)

Kodiak X is a leadership challenge course that builds on the skills gained at a Venturing Leadership Skills Course (VLSC) and the leadership commissions learned at a Kodiak. Completion of a Kodiak is a prerequisite to attend a Kodiak X.

Kodiak X is the third in the Venturing Nature of Leadership series and participants will review what they learned at Kodiak, and gain two additional Commissions.

Kodiak-X 2008

Kodiak X is the newest of the BSA's Venturing Nature of Leadership courses and presently completes the NOL series that begins with the Venturing Leadership Skills Course and carries on through the 6-day, outdoor trek-based Kodiak.

At Kodiak, Venturers are trained in 5 Commissions. Kodiak X, provides two additional Commissions. While completion of a VLSC is suggested, it is not required. However, successful completion of a Kodiak is a prerequisite to attend a Kodiak X, since the 5 Commissions present the basis of Kodiak X's additional training.

Your completed application and \$60 check must be received no later than December 1, 2008 at:
