

**CAMP RENTAL FEE SCHEDULE
FOR BSA GROUPS**
Submit with Camp Rental Application

**RENTAL RESERVATION
INFORMATION**

To reserve a camp rental, complete the Rental Worksheet and Short Term Camp Reservation form. Please take note of the following information:

- 1. DEPOSIT:** Fees under \$100 are to be paid in full two weeks prior to rental. 10% of total anticipated fees or \$100, whichever is greater. This non-refundable deposit is due upon making a reservation. We reserve the right to require full payment of anticipated fees two weeks prior to rental.
- 2. DAY:** A day is calculated in 24 hour time periods, from the time your group arrives until the time they leave. Partial periods count as one day.
- 3. KITCHEN:** To rent kitchen facilities you must have a qualified cook to operate and direct all food preparation and use of kitchen equipment. "Qualified" is defined as having experience in commercial/institutional food service operations, and having a current Food Workers Health Certificate from a county health department.
- 4. FIREWOOD:** If you rent a building with a fireplace or wood stove, a **limited supply of firewood** is provided. Extra wood is available for a fee. (Except at Camp Sheppard-bring your own wood if needed.)
- 5. GARBAGE:** Garbage disposal charges are waived if you pack out your own garbage. If transportation and dumping charges are more than \$100, you will be charged actual cost. For Camp Sheppard, garbage will be disposed of that does not exceed the capacity of the dumpster. You will be charged for any remainder.
- 6. CLEANING:** Cleaning charges are waived if we do not need to clean up after your group.
- 7. DAMAGES:** If we can fix your damages good as new, repair charges only will be assessed. Repair charges will include labor.
- 8. TENTS:** Tents are rented only at times when we already have them set up, immediately before or after summer camp. There will be no off season tent rentals.
