

# How to take the Youth Protection Online Training:

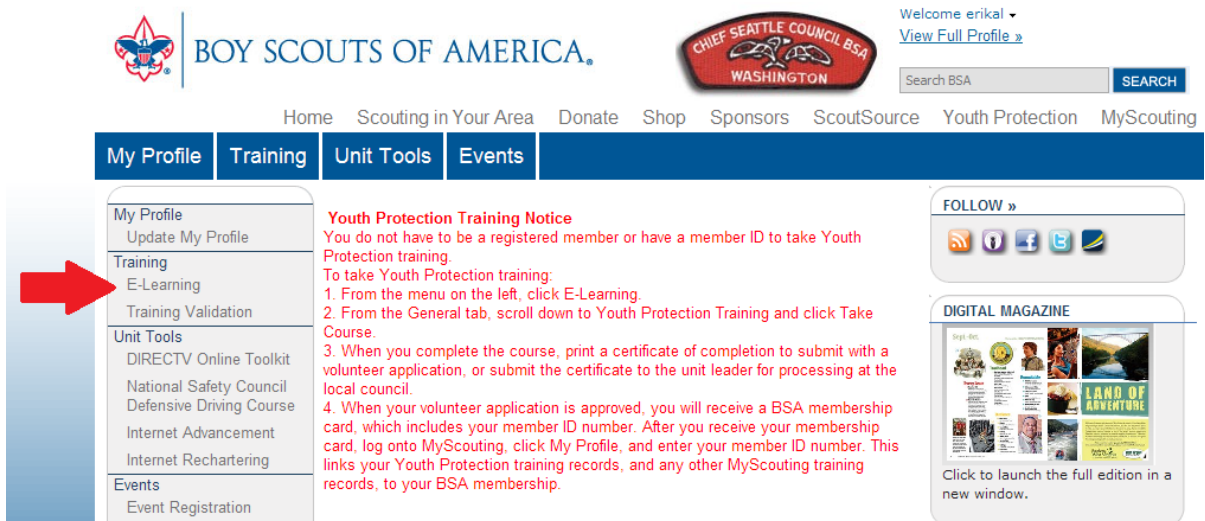

1. In your internet browser enter [www.myscouting.org](http://www.myscouting.org)

2. Enter your login information to open your account. If you do not have an account please see the instructions for "Setting up a MyScouting.org account"

3. In the table on the left of the screen there is a section titled "Training" and right below it are "E-Learning" and "Training Validation". To access the online training, click on the "e-learning" link.

4. Click on the “take course” link next to the Youth Protection Training.

The screenshot shows the Boy Scouts of America website interface. At the top, there is the BSA logo and the text "BOY SCOUTS OF AMERICA." To the right, it says "CHIEF SEATTLE COUNCIL BSA WASHINGTON" and "Welcome erikal" with a "View Full Profile" link. Below this is a navigation bar with links: Home, Scouting in Your Area, Donate, Shop, Sponsors, ScoutSource, Youth Protection, MyScouting. A search bar is also present. The main navigation menu includes "My Profile", "Training", "Unit Tools", and "Events". The "Training" menu is expanded, showing options like "My Profile", "Update My Profile", "Training", "E-Learning", "Training Validation", "Unit Tools", "DIRECTV Online Toolkit", "National Safety Council Defensive Driving Course", "Internet Advancement", "Internet Rechartering", "Events", and "Event Registration". The "E-LEARNING" section is active, displaying the "E-LEARNING COURSE MANAGEMENT SYSTEM". It contains a note about Flash Player, a list of training requirements (Youth Protection Training, Fast Start Training, Leader Position-Specific Training, Orientation Training), and a note about additional training for Boy Scout leaders. Below this, there are tabs for "Cub Scout", "Boy Scout", "Venturing", and "General". Under the "General" tab, "Youth Protection Training" is listed with a "Take Course" link, which is highlighted by a red arrow. "Fast Start Training" is also listed below it.

5. This will open a new window. If it doesn't open, make sure your pop-up settings will allow the new window to open. Select which language you would like to hear the course in.

The screenshot shows a language selection screen for the Youth Protection Training course. The background is dark green with a red border. At the top right, there is a small BSA logo. The main text reads "Youth Protection Training" in a large, white, serif font, followed by "Capacitación sobre protección juvenil" in a smaller, white, serif font. Below the text are two red buttons with white text: "English" and "Español".

6. After completing the course, please print a copy of your certificate of completion.
  1. Fill in your name and unit number. If you are a district Scouter, enter which district you are in.
  2. Select Chief Seattle Council from the list.
  3. Click on the "print" button.

Some notes:

- If you linked your membership number to your account, your training will automatically update at the council office. If you are a new member or you have not entered your membership ID number into myscouting.org, you will need to submit your YPT certificate to the council for training validation. New registrants will not receive a membership ID number until they have submitted their YPT validation and adult application to the council.
- You can re-print your YPT certification any time by logging into your account, clicking on the e-learning link, and then clicking print certificate.
