LET'S GO CAMPING!
Camping is an essential part of the Scouting program. Not only does camp provide advancement opportunities for Scouts, but in the outdoors, kids have opportunities to acquire skills that make them more self-reliant. They can explore, canoe, hike trails and complete challenges they first thought were beyond their ability. Attributes of good character become part of a young person as they learn to cooperate to meet challenges they may face in the great outdoors.

Chief Seattle Council offers tons of camping opportunities for your Scouts all year long. With four amazing properties to choose from, you will find fun and adventure for everyone! Enjoy the natural splendor of the Pacific Northwest and all it has to offer, let’s go camping!
