

National Youth Leadership Training Chief Seattle Council Boy Scouts of America

NYLT is an exciting, action-packed program designed to provide Scouts, Venturers, Sea Scouts, and Explorers with leadership skills and experiences they can use in their home troops, crews, ships, posts, personal lives, and in other situations demanding leadership of self and others.

Camp Pigott

Session 1:
Aug. 5-10, 2019/Banks
Aug. 5-10/Stafford (co-ed)
Session 2:
August 12-17, 2019 (co-ed)

What to Expect at NYLT

NYLT is a challenging and rewarding six-day learning experience. Leadership skills are taught in a Troop setting as a framework to make the learning fun and allow immediate application of the leadership principles.

Participants from different units are grouped into small groups called patrols, to make new friends, exchange ideas, and travel through the stages of team building together. Teamwork is reinforced by cooking meals, actively competing through games, and working together as patrols throughout the experience.

As a participant, it is an honor to be selected by your troop, crew, ship or post to represent them and to interact with other top leaders on course. Our participants remark from year to year how glad they were that they attended, how much they learned, the fun they had, and that they would highly recommend the course to others.

National standards **require attendance for all 6 days of the course.**
